# 1.4m Steel Cage Rack

## Looking for a more storage space on your vehicle?

Ironman 4x4 is now doing Steel Cage Roof Racks in 1.4m lengths to suit the top of canopies, dual cab utes and small vehicles.

Designed to suit most vehicles with a variety of mounting systems\* to choose from a 1.4m rack is a great addition to improve the carrying capacity of your vehicle.

Built to carry a full load and taking into account the capacity of varying mounting systems, the new 1.4m rack is ready for touring duties, be it for the spare tyre, fuel, water or swags or loading up around town.

All Ironman 4x4 racks are powder coated for durability and engineered to tackle the most demanding conditions.

For further information and to find your nearest Ironman 4x4 distributor, please call 1300 731 137
