**PRODUCT  
RELEASE**

**HOLDEN  
RG COLORADO**

**A BREATH OF FRESH AIR...**

*The Ironman 4x4 Airforce Snorkel for the Holden RG Colorado has been designed with ease of fitment and optimum airflow and vehicle aesthetics in mind.*

*It will offer all the benefits of the other snorkels available in the Ironman 4x4 Airforce range.*

**AIRFORCE  
SNORKEL**

- Increased forced air to your engine for improved vehicle performance
- Raised direct air intake allows for a clean air flow into your engine
- Cool Air into the engine provides better performance
- Increased air intake height allows for safe water crossings
- Allows less dust into your engine
- High quality polyethylene (LLPDE) and UV resistant
- In built rain deflector design to stop water intake during heavy rain

**Part No. ISNORKELO36**
